

Spring Fair

Thank you to everyone who supported our recent Spring Fair. We had glorious weather, which really helped everyone to enjoy the day and raise nearly £3000 which was fantastic. We will be using this money to support the redevelopment of our Foundation 2 outdoor area.

Sun Protection

We are all hoping that the weather is going to be warm and sunny and that we will be able to use our outdoor learning areas as much as possible. With this in mind, we are committed to the following principles of sun protection:

Take care not to burn
Head for shade around the middle of the day
Use a high factor sunscreen

Pupils are encouraged to wear sun hats when outdoors and are not permitted to remove tops during outdoor activities. They will be encouraged to seek shelter and shade when outside for longer periods of time and to drink plenty of water. Sun hats and water bottles should be named. Water bottles should only contain water, not juice.

Parents are requested to use an appropriate sunscreen for their children. This should be applied at home before coming to school. If children bring their own sunscreen into school, it should be named and must not be shared with other children, for the safety of those children who are allergic to sunscreens. Staff will encourage and support children to use sunscreen during the hot weather.

Platinum Jubilee Celebrations

It was wonderful to see all the children and staff dressed in red, white and blue to celebrate Queen Elizabeth's 70 years as our Monarch. We had a lovely afternoon tea and enjoyed learning more about Queen Elizabeth's Coronation. Each year group sang a special Jubilee song and we all sang the National Anthem.

Recent Events

Author Visit—On Monday 25th April, the author Rachel Morrisroe came into school to talk to the KS1 children about her job as an author. She brought her friend the Drama Llama with her. Everyone enjoyed listening to the stories.

Walk to School Breakfast— On Friday 20th May we held a celebratory Walk to School Week Breakfast. It was really busy and good to see so many parents and children walking to school throughout the week.

Judo—Foundation 2 classes have thoroughly enjoyed their judo sessions on a Wednesday morning. Chris the coach has said that the children have been amazing following instructions and learning new moves. F2 are looking forward to continuing Judo after half term.

Sports Week— Everyone had lots of fun and enjoyed the different sporting activities taking place throughout the week. The street dance sessions with Emma were fantastic, with all the children thoroughly enjoying taking part.

On Tuesday we had tennis sessions with staff from Pinewood Tennis Club in Heswall. Everyone was amazed with the fantastic progress the children made during the sessions.

On Tuesday afternoon the Year 2 children had lots of fun taking part in Greasby Junior School's Sports Day.

Unfortunately our Sports afternoon planned for Wednesday and the Inflatable fun day on Thursday, both had to be postponed due to the bad weather. The children enjoyed sporting games in the hall instead. Weather permitting, the Sports afternoon has now been rearranged for Wednesday 15th June at 1.30pm. We are in discussion with Activity for All to rearrange the inflatable day and will let you know once a date has been set.
