

CHARITY NEWS

Marie Curie Cancer Care

We have been raising money through the Great Daffodil Appeal for Marie Curie Cancer Care. Thanks to your generosity we have raised £60.38 for this very worthwhile charity.

NSPCC

On Monday 2nd March, Alison from the NSPCC came to talk to the children about how to keep themselves safe and to always speak out if there is something that they do not feel comfortable about.

All the children took part in a sponsored obstacle challenge and keep fit course in order to raise money for this charity. Thanks to your support we raised £336.00 for the NSPCC so that people like Alison can continue to help children keep safe.

School closures

Dear Children

First I would like to say how proud I am of you all. The last few weeks were very strange in school with so many changes and children off, but everyone was so sensible and took care of each other. Well done for being amazing children.

Now school has closed for most children, I hope that you are all being good for your parents and helping them around the house. Keep your rooms tidy and do little jobs that Mum and Dad ask you to do.

We will put new exciting activities on the school website each week, so that you can continue to learn, but there are lots of things you can do as well as these.

Some of the teachers are still in school looking after the children of our Doctors and Nurses, who are needed in hospital to make people better. You need to stay in your home as much as possible to stop you or your family from becoming poorly.

Hopefully it won't be too long before we can all come back to school and enjoy learning and playing together again.

Take care and remember to keep washing your hands.

See you all as soon as possible

Mrs J. Hall

I thought it would be nice to look at some of the lovely things we were doing in school this term, before we finished, so here are some photographs and information about recent events.

Governor Update

I am delighted to announce that Mrs Michelle Dunbar was elected as our new Parent Governor this term. She replaces Mrs Janine Gregory who remains on the Governing Body as a new co-opted Governor.

Well done everyone!

Recent Events

Hedgehog Rescue—We were delighted to invite volunteers from the local Hedgehog Rescue at Larton Stables to talk to the children about how we can help hedgehogs during the wintertime. They visited school on Friday 28th February and were delighted with all the donations of food, newspaper, bin bags etc that everyone brought in.

NSPCC Sponsored obstacle course—All the children enjoyed challenging themselves to complete the obstacle course and keep fit circuit, as well as raising money for the NSPCC.

World Book Day—The whole school dressed up as characters from their favourite books on **World Book Day** on 5th March. We had lots of fun sharing stories as well as listening to stories read by our mystery readers in our special story tent. Thank you to all the mystery readers, you were amazing and the children thoroughly enjoyed your visits.

The children enjoyed our special assembly, where we looked at all the amazing costumes and listened to our favourite stories.

Extreme Reading Challenge—Don't forget to take part in our special reading challenge. Ask a grown up to take a photo of you reading your favourite book in an unusual place and email it into school, so that we can see where you are reading. There will be a prize for the most extreme place, as soon as we are back to school.

We had a wonderful evening at our **Onesie-upon-a-time** story telling session on 6th March. Thank you to all the staff who supported the event and also the Friends of Greasby Infant School volunteers who read stories or helped with the refreshments and organisation. The children really enjoyed all the exciting stories.

Mother's Day Gifts —Thank you to all the Friends of Greasby Infant School volunteers who helped children to make their Mother's Day gifts. We hope that all our Mums liked their special gift and had a lovely time on Mothering Sunday, despite the current circumstances
