### Staffing News

Kelly Spearing will be leaving at the end of term after working as Pre-School Curriculum Leader for 5 years. She is moving to Gayton Primary School and we will all miss her very much. I would like to thank her for all her hard work and dedication to the school during her time at Greasby Infants.

Hazel Coombes who has been our music specialist teacher, will also be leaving us at the end of term to take up a new post at West Kirby Primary School. I would like to thank her for all the wonderful musical experiences our children have had over many years. We will all miss her, but wish her good luck for her new post and hope that she comes back to visit us in the near future.

Mrs Cooper has returned to school on a part time basis and it is anticipated that she will be well enough to return to school fulltime in September.

### Confucius Classroom News

Ming Kuang, our Hanban teacher will be returning to China at the end of term and her two years with us has come to an end. She has worked with all children across the school and the children have learnt so much and enjoyed their Mandarin lessons. I wish her well for her future back in China and I know she is looking forward to spending more time with her family. We look forward to welcoming a new Hanban teacher at the start of next term ready for another exciting year of language teaching.

## RECENT NEWS

They have also taken part in the joint Year 2/Year 3 concert, which was a great success. We hope that everyone who attended, enjoyed the afternoon as much as the children did. Thank you to Mr Martin and his staff for inviting us.

**Foundation Stage Circus Week**—All the children and staff had lots of fun and developed their circus skills during this exciting week.

**Sports Week** took place during the week beginning 25th June and all the children enjoyed taking part in the variety of activities, especially the inflatable assault course, first aid and bush craft. Thank you to everyone who came to support our sports afternoon on 28th., especially as it was such a hot afternoon. The children had a great time and enjoyed all the exciting activities. Thank you to Miss Fulton for organising a super sporty week with lots of activities for the children to try and enjoy.

### GOOD LUCK

I would like to say well done to all our Year 2 children who have worked so hard this year and have made excellent progress. All the staff wish them good luck for the move to their new schools and for the future. I am sure that they will enjoy the challenges ahead.

Thank you so much to everyone who supported our Race for Life yesterday. The children enjoyed running, jogging,

walking their mile and we raised an amazing £2300 and there is still more money coming in.
