

SCHOOL MEALS

I am delighted to say that the children are settling into the lunchtime routines , enjoying their meals and being very sensible..

The current lunch menu can be found on the school website:

www.greasby-infant.eschools.co.uk

If you think that your child may be entitled to free school milk please contact the school office and discuss your request with Mrs Fisher.

Parent View—Parents view is an online questionnaire that gives parents and carers the chance to tell Ofsted about their child's school. If you would like to share your views, a link can be found on our school website.

MEDICAL INFORMATION

If your child needs to take any medication whilst they are in school, a Medication Permission and Record sheet needs to be completed before any medication can be administered in school. Please do not send medicine into school with a child, please contact the school office to discuss school policy and procedures regarding medicines.

Head Lice

Please can you check your child's hair for head lice on a regular basis. The recommendation from the school nurse is to check hair every 3-4 days. This is best done on wet hair using a fine tooth comb. If you have any concerns, you can discuss these with the school nurse by making an appointment via the school office.

Asthma If your child has asthma and needs an inhaler, please can you make sure that one is brought into school to be kept here and that the medication is named and in date. We do have an emergency inhaler in school and if you would like your child to be able to use this, in case of an emergency, please call into the school office to discuss with Mrs Fisher.

Allergies If your child has any allergies, please make sure that you have informed school, especially if your child needs access to an auto-injector. Please make sure that you have brought one into school and that it is in date.

School Uniform

Please can I remind you to make sure all school uniform, including P.E. kits, coats etc are named. This makes it much easier to return lost property to it's owner. The lost property box can be found outside the Headteacher's office and is currently very full!

September 2021

GREASBY INFANT SCHOOL

Dear Parents

Welcome to the new school year. I hope that you all had a good summer holiday and a well deserved break. All the children are settling into their new classes well and we are all looking forward to an exciting term ahead.

Please make sure that you check your child's bag and your emails regularly so that you do not miss out on important school news and events.

Mrs J. Hall

| 15th | Year 1 Christmas Concert 1.30pm |
| 16th | Christmas Party Day |
| 17th | End of term |

ATTENDANCE

The Start and Finish of the School Day

Pre-School starts at 8.45 and the rest of the school starts promptly at 8.55am with the doors being open from 8.45am. If a child is late they should enter school via the main entrance and the parent needs to sign the 'late book' which is in the entrance foyer, giving the reason for lateness.

Medical appointments

If you need to collect your child for a medical/dental appointment prior notice is required and please report to the school office to sign your child out.

Absence - If your child is ill and will not be attending school it is very important that you contact the school office on the first day of absence. You can either phone, e-mail or call into the office. If the absence has not been reported by 9.30am, school will contact the parents to discuss the reasons.

Absence due to COVID-19

If your child is absent from school because they have symptoms it is important that they do not come to school and you book a COVID PCR test. Please inform school as soon as possible when you get the test results. If the test is negative and they are feeling better, they can return to school. If the test is positive they need to stay off school for 10 days and only return if they are feeling better and have not had a fever for at least 48 hours.

Absences

The Headteacher is unable to authorise holidays in term time, unless there are exceptional circumstances for the absence. These need to be put in writing to the Headteacher and discussed with the school, prior to the absence. Children miss vital aspects of their education, when they are off school on holiday and they often find it difficult to catch up.

Parking

Please can I ask that when you are bringing your children to and collecting them from school, you are considerate to those people who live on Hall Drive and Barker Lane. I know that it is very busy at these times, but please try to park safely, do not block drive ways or drive on the pavements. Please can I also remind you for the safety of all our children, to use the footpath and do not park in or walk through the school car park.

If you have a specific need to use the school car park, please discuss with the school office and request a parking permit. We ask that other parents do not park in the car park for the safety of all our children.

Recent Activities

Welcome to F2—Our Parents Association, Friends of Greasby Infant School, welcomed the new F2 children to school with a welcome letter and gingerbread man.

The children enjoyed their gingerbread man as their snack.

If you are interested in finding out more about FOGIS or can offer any help and support please get in touch via Facebook, email or through the school office.

First few weeks of fun! The children are settling well into their new classes and are enjoying learning and playing with their friends.

Macmillan Cake and Cocoa Day on 24th September—Thanks to your generosity we raised **£411.16** for this very special charity. The children had a great time wearing green and purple as well as enjoying their cakes and hot chocolate or milk shake.

European Languages Day—The whole school took part in a variety of activities to celebrate European Day of Languages on Monday 27th September. Each class found out facts about a different European country it's culture and traditions.
