# Greasby Infant School

## Single Equality Plan

### 1. Mission statement

We aim to provide a happy, relaxed environment where children are encouraged and supported to achieve their full potential, and to develop an attitude of care and responsibility towards others and their surroundings.

We ensure that the children in this school will attain the highest standards of which they are capable. We encourage the children to be independent and self-confident and we believe that this can be achieved more readily when teachers, parents and pupils work together in partnership.

### 2. Aims

At Greasby Infant School we will:

- Respect the equal human rights of all our pupils
- Educate pupils about equality
- Respect the equal rights of our staff and others members of the school community
- Consider the impact of school policies and procedures in relation to ethnicity, religion, socio-economic background, gender, disability, sexual orientation and age.
- Promote community cohesion at school, national and global levels.

### Mainstreaming equality into policy and practice

As well as the specific actions set out beneath this plan, the school operates equality of opportunity in its day to day practice in the following ways.

### Teaching and learning

We aim to provide all our pupils with the opportunity to succeed, and to reach the highest level of personal achievement. To do this, we will:

- Use contextual data to improve the ways in which we provide support to individuals and groups of pupils;
- Monitor achievement data by ethnicity, gender and disability and action any gaps;
- Take account of the achievement of all pupils when planning for future learning and setting challenging targets;
- Ensure equality of access for all pupils and prepare them for life in a diverse society;
- Use materials that reflect the diversity of the school, population and local community in terms of race, gender and disability, without stereotyping;
- Promote attitudes and values that will challenge racist and other discriminatory behaviour or prejudice;
- Provide opportunities for pupils to appreciate their own culture and celebrate the diversity of other cultures;
- Seek to involve all parents in supporting their child's education;
- Encouraging classroom and staffroom discussion of equality issues which reflect on social stereotypes, expectations and the impact on learning;

- Including teaching and classroom-based approaches appropriate for the whole school population, which are inclusive and reflective of our pupils.
- Encourage pupils to become independent and assist them in taking responsibility for their own learning and behaviour

### **Admissions and exclusions**

Our admissions arrangements are fair and transparent, and do not discriminate on race, gender, disability or socio-economic factors.

Exclusions will always be based on the school's Behaviour Policy. Should the need to exclude arise, we would closely monitor exclusions to avoid any potential adverse impact and ensure any discrepancies are identified and dealt with.

### **3. Equal Opportunities for Staff**

This section deals with aspects of equal opportunities relating to staff at Greasby Infant School.

We are committed to the implementation of equal opportunities principles and the monitoring and active promotion of equality in all aspects of staffing and employment.

All staff appointments and promotions are made on the basis of merit and ability and in compliance with the law. However we are concerned to ensure wherever possible that the staffing of the school reflects the diversity of our community.

#### **Employer duties**

As an employer we need to ensure that we eliminate discrimination and harassment in our employment practice and actively promote equality across all groups within our workforce.

Equality aspects such as gender, race, disability, sexual orientation, gender re-assignment and faith or religion are considered when appointing staff and particularly when allocating Teaching and Learning Responsibilities (TLR) or re-evaluating staff structures, to ensure decisions are free of discrimination.

Actions to ensure this commitment is met include:

- Monitoring recruitment and retention including bullying and harassment of staff;
- Continued professional development opportunities for all staff;
- Governing Body and Senior Leadership Team support to ensure equality of opportunity for all.

### **4. Equality and the law**

The Equality Act 2010 replaces many of the other statutory duties and regulations that deal with equality and discrimination (Race Relations (Amendment) Act 2000, Disability Equality Duty 2005 and Equality Act 2006). The Act covers all aspects of school life to do with how a school treats pupils, prospective pupils, parents and carers, employees and members of the community. Everything a school does must be fair and non-discriminatory.

Since April 2011, schools have also been bound by the Public Sector Equality Duty. Schools are required to have "due regard" to the need to:

- Eliminate unlawful discrimination, harassment and victimisation
- Advance equality of opportunity
- Foster good relations

Two specific duties for schools are:

- To publish information to show how they are complying with the Equality Duty and update annually. (As a minimum this should include information on the diversity of the school population and how the school is performing in relation to the aims of the equality duty).
- To prepare and publish specific measurable equality objectives at least every four years.

It is against the law to discriminate against someone because of:

- age
- disability
- gender reassignment
- marriage and civil partnership
- pregnancy and maternity
- race
- religion or belief
- sex
- sexual orientation

These are called protected characteristics.

The action plan at the end of this Single Equality Plan outlines the actions Greasby Infant School will take to meet the equality duty.

#### **4a. Race Equality**

The General Race Equality Duty requires us to have due regard to the need to:

- Eliminate racial discrimination;
- Promote equality of opportunity;
- Promote good relations between people of different racial groups.

Under our specific duty we will:

- Prepare an Equality Plan which includes our written policy for race equality;
- Assess the impact of our policies, including this Plan, on pupils, staff and parents by ethnicity including, in particular, the achievement levels of these pupils;
- Monitor the impact our plans and policies have on such pupils, staff and parents towards raising the achievement of minority ethnic groups.

#### **4b. Disability**

##### **Definition of disability**

The DDA 2005 has also extended the definition of disability as follows:

- People with HIV, multiple sclerosis and cancer (although not all cancers) are deemed disabled before they experience the long-term and substantial adverse effect on their activities;
- Section 18 has been amended so that individuals with a mental illness no longer have to demonstrate that it is “clinically well-recognised”, although the person must still demonstrate a long-term and substantial adverse impact on his/her ability to carry out normal day-to-day activities.

##### **Legal duties**

- Promoting equality of opportunity between disabled people and other people;
- Eliminating discrimination and harassment of disabled people that is related to their disability;

- Promoting positive attitudes towards disabled people;
- Encouraging participation in public life by disabled people;
- Taking steps to meet disabled people's needs, even if this requires more favourable treatment.

Under our specific duty we will:

- Prepare and publish an Single Equality Plan which covers the requirements for a Disability Equality Scheme identifying our disability equality goals and actions to meet them;
- Through the Governing Body, review and revise this Plan on an annual basis.

#### **4c. Gender Equality**

Under our general duty we will actively seek to:

- Eliminate unlawful discrimination and harassment on grounds of sex and gender reassignment;
- Promote equality between men and women.

Under our specific duty we will:

- Prepare and publish an Equality Plan which covers the requirements for a Gender Equality Scheme identifying our gender equality goals and actions to meet them;
- Through the Governing Body, review and revise this Plan on an annual basis.

#### **4d. Sexual Orientation**

The Equality Act (Sexual Orientation) Regulations 2007 came into force on 30 April 2007, and they make discrimination unlawful in the area of goods, facilities and services on grounds of sexual orientation. For schools this means admissions, benefits and services for pupils and treatment of pupils.

#### **4e. Community cohesion**

The Education and Inspections Act 2006 inserted a new section 21(5) to the Education Act 2002, introducing a duty on the governing bodies of state schools to promote community cohesion. Community cohesion encompasses promoting good relations between pupils from different races, faiths / beliefs and socio-economic backgrounds. The duty came into force on 1 September 2007.

### **5. Consultation and involvement**

It is a requirement that the development of this plan and the actions within it have been informed by the input of staff, pupils and parents and carers. We have achieved this by using the following to shape the plan:

- Feedback from the annual parent questionnaire, parents' evenings or governors meetings;
- Input from staff surveys or through staff meetings / INSET;
- Feedback from the school council, PSHE lessons, school council pupil surveys and information on children's attitudes to self and school;
- Issues raised in annual reviews or reviews of progress on Individual Education Plans/Provision Maps, mentoring and support;
- Feedback at Governing body meetings.

## **6. Roles and Responsibilities**

### **The role of governors**

- The governing body has set out its commitment to equal opportunities in this plan and it will continue to do all it can to ensure that the school is fully inclusive to pupils, and responsive to their needs based on all protected characteristics.
- The governing body seeks to ensure that people are not discriminated against when applying for jobs at our school.
- The governors take all reasonable steps to ensure that the school environment gives access to people with disabilities, and also strive to make school communications as inclusive as possible for parents, carers and pupils.
- The governors welcome all applications to join the school, whatever a child's socio-economic background, race, gender or disability.
- The governing body ensures that no child is discriminated against whilst in our school based on the protected characteristics.

### **The role of the headteacher**

- It is the headteacher's role to implement the school's Single Equality Plan and she is supported by the governing body in doing so.
- It is the headteacher's role to ensure that all staff are aware of the Single Equality Plan, and understand their responsibilities within it applying these guidelines fairly in all situations.
- The headteacher ensures that all appointments panels give due regard to this plan, so that no-one is discriminated against when it comes to employment or training opportunities.
- The headteacher promotes the principle of equal opportunity when developing the curriculum, and promotes respect for other people and equal opportunities to participate in all aspects of school life.
- The headteacher treats all incidents of unfair treatment and any incidents of bullying or discrimination, including racist incidents, with due seriousness.

### **The role of all staff: teaching and non-teaching**

- All staff are responsible for promoting equality and community cohesion, fostering good relations and tackling bias and stereotyping.
- All staff will ensure that all pupils are treated fairly, equally and with respect, and will maintain awareness of the school's Single Equality Plan.
- All staff will strive to provide material that gives positive images based on race, gender and disability, and challenges stereotypical images.
- All staff will challenge any incidents of prejudice, racism or homophobia, and record any serious incidents, drawing them to the attention of the headteacher.
- Teachers support the work of ancillary or support staff and encourage them to intervene in a positive way against any discriminatory incidents.
- Staff are responsible for maintaining up to date knowledge related to all aspects of equality.

## **7. Tackling discrimination**

Harassment on account of race, gender, disability or sexual orientation is unacceptable and is not tolerated within the school environment.

All staff are expected to deal with any discriminatory incidents that may occur. They are expected to know how to identify and challenge prejudice and stereotyping; and to support the full range of diverse needs according to a pupil's individual circumstances.

Racist and homophobic incidents and other incidents of harassment or bullying are dealt with by the member of staff present, escalating to a class teacher / headteacher where necessary. All incidents are reported to the headteacher and racist incidents are reported to the governing body and local authority on a termly basis.

### **What is a discriminatory incident?**

Harassment on grounds of race, gender, disability, sexual orientation or other factors such as socio-economic status, can take many forms including verbal or physical abuse, name calling, exclusion from groups and games, unwanted looks or comments, jokes and graffiti.

A racist incident is defined by the Stephen Lawrence Inquiry Report (1999) as:  
'any incident which is perceived to be racist by the victim or any other person'.

### **Types of discriminatory incident**

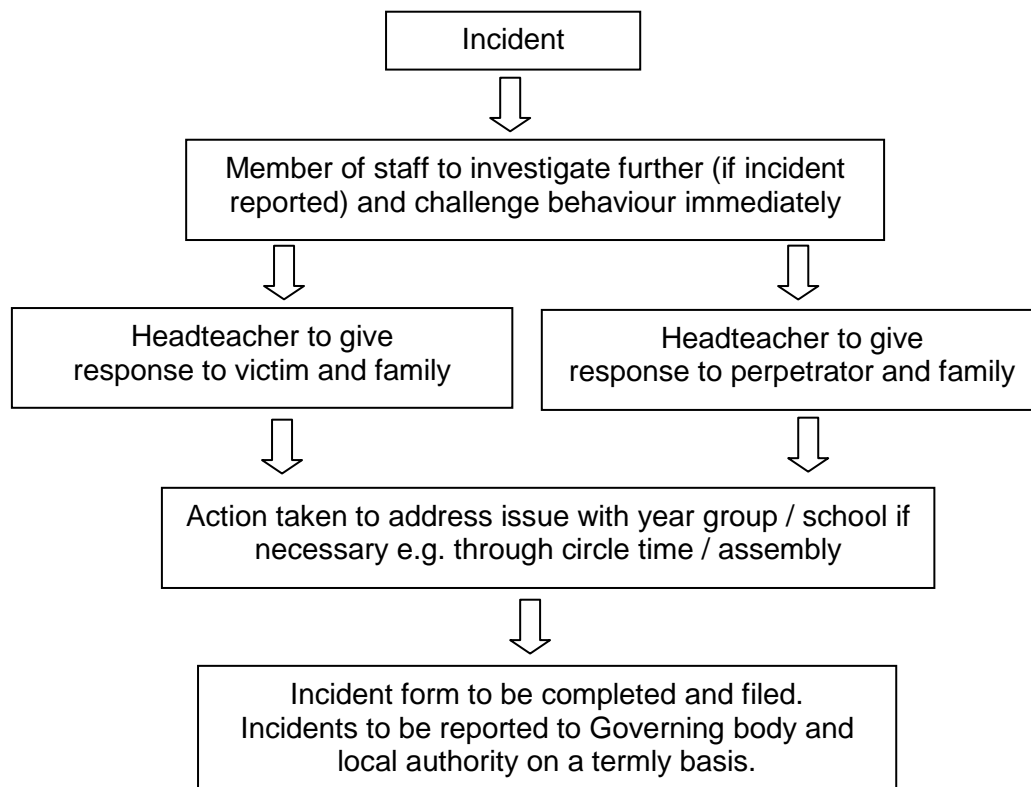

Types of discriminatory incidents that can occur are:

- Physical assault against a person or group because of their colour, ethnicity, nationality, disability, sexual orientation or gender;
- Use of derogatory names, insults and jokes;
- Racist, sexist, homophobic or discriminatory graffiti;
- Provocative behaviour such as wearing racist, sexist, homophobic or discriminatory badges or insignia;
- Bringing discriminatory material into school;
- Verbal abuse and threats;
- Incitement of others to discriminate or bully due to victim's race, disability, gender or sexual orientation;
- Discriminatory comments in the course of discussion;
- Attempts to recruit others to discriminatory organisations and groups;
- Ridicule of an individual for difference e.g. food, music, religion, dress etc;
- Refusal to co-operate with other people on grounds of race, gender, disability or sexual orientation.

### **Responding to and reporting incidents**

It should be clear to pupils and staff how they report incidents. All staff, teaching and non-teaching, should view dealing with incidents as vital to the well-being of the whole school.

A suggested procedure for responding and reporting is outlined below:

## 8. Review of progress and impact

The Plan has been agreed by our Governing Body. We have a rolling programme for reviewing our school policies and their impact. In line with legislative requirements, we will review progress against our Single Equality Plan annually and review the entire plan and accompanying action plan at least on a two year cycle.

We make regular assessments of pupils' learning and use this information to track pupil progress. As part of this process, we regularly monitor achievement of ALL children, for this plan we monitor specifically by ethnicity, gender and disability, to ensure that all groups of pupils are making the best possible progress, and take appropriate action to address any gaps.

## 9. Publishing the plan

In order to meet the statutory requirements to publish a Single Equality Scheme we will:

- Publish our plan on the school website;
- Raise awareness of the plan through the school newsletter, assemblies, staff meetings and other communications;
- Make sure hard copies are available.
- Complete an equality impact assessment, updating documentation as necessary
- Collate information related to our equality objectives from the whole school community

Please read in conjunction with the Accessibility Plan
