

Greasby Infant School

Newsletter 11th October 2024

Welcome

We have had exciting news the last week!

We have been chosen to be a 'content' school for the amazing, worldwide famous company 'Teach Rex.'

As part of this, the children will experience a whole day of meeting the dinosaurs, creating green screen filming and a stimulus for writing. We can't wait to share the outcomes with you! Please ensure your child's form has been completed and passed back to the class teacher by Wednesday 16th October.

Have a lovely weekend!

This week it has been lovely to see outdoor learning taking place and impacting our curriculum. We loved Year 1's art work using nature materials. Outdoor learning is something we are keen to develop so look out for our fundraiser coming up for Forest Schools!
